Dear parents,

Greetings. Hope and pray that all of you are healthy and safe.

I take this opportunity to thank all of you for the great support and cooperation for the academic year 2020- 2021. Though it was online class most of you took special interest and allowed your ward to attend the classes and write the online examinations. I appreciate your wholehearted cooperation for the education and growth of your ward and the development of the school.

As we need to continue with the education of our children during this pandemic we will commence the classes from 15.04.2021 for the Academic year 2021-2022. For Classes I to IX it will be online classes as before and the Xth students will come to the School as per the government order. The timing of the school will be from 9 am to 3 pm. The timing of the online classes will be intimated to you by the class teachers.

I request all the parents to buy the books before the commencement of the online classes. I also request those parents who have not taken the result to take it before 15th March. If you have any queries, please feel free to contact the school office.

Dear parents as the Covid 19 2nd wave is more serious than the first one I humbly ask each and every one of you to take special care and follow all the guidelines issued by the Government.

God bless you

S. Sali
